HONORING THE LONGVIEW HIGH SCHOOL LOBOS, 2018 CLASS 6A DIVISION II TEXAS HIGH SCHOOL FOOTBALL CHAMPIONS

HON. LOUIE GOHMERT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. GOHMERT. Madam Speaker, it may have taken eighty-one years, but the doggedness and passion that fueled the city of Longview, Texas, to harness the great oil boom and a state championship title in 1937 has once again proven undaunted—resulting in the Longview High School Lobos capturing the top rung in Texas high school athletics to

become the 2018 Class 6A Division II Texas State High School Football Champions.

As the Lobos' fight song attests, the team was determined to "circle in and hit them hard" when facing the tangle with the Beaumont West Brook Bruins, culminating in a thrilling 35–34 victory for the Wolf Pack in front of a spectacular throng numbering more than 48,000 strong, a big majority of which were apparently loyal Lobos fans.

The down-to-the-wire fight was the culmination of a perfect 16–0 season for the Lobos, and was even more gratifying since the Lobos had faced West Brook in the playoffs for three straight years. This was the first opportunity, however, for the two teams to grapple for the state trophy.

This represented the first top tier title opportunity for the Lobos after decades of near misses and close calls, providing passionate fans a long season to bask in the momentum and a history making trip to capture state wide bragging rights.

Though the Lobos were down at halftime 28 to 20, they certainly were not out because of their heart, their talent, their coaching and their community support. This was a Longview team that simply refused to stay down, and refused to lose.

And the Lobos earned those bragging rights in spectacular fashion, coming from behind in the closing minutes of the fourth quarter to secure a fantastic win. Trailing Beaumont West Brook 34–29 with 8:17 left in the 4th quarter, Quarterback Haynes King's outstanding passing pushed the Lobos offense to West Brook's red zone. Stalwart running back Jessie Anderson then punched through to the end zone, giving the Lobos a 35–34 lead with 4:42 left in the game. The Lobos were ahead by one, but played the odds and went for two points in case West Brook tried a field goal. Though the extra two-point conversion was unsuccessful, the two were unneeded because of the way the Lobo defense, yet again, rose to the occasion and crushed the Bruins' comeback attempt along with their hopes for victory.

No question Beaumont West Brook deserved to be in the State Championship, had an absolutely fabulous team, and played a stellar game. But the Longview Lobos proved they had everything a fan could want in an unbeatable football team. They made Longview, Gregg County, and all East Texas swell with pride.

The game's Offensive Most Valuable Player was Lobo quarterback Haynes King who was 16-of-27 for 423 passing yards. He connected on two touchdown passes and rushed for a touchdown as part of his 65 rushing yards.

Kamden Perry secured a Class 6A state championship game record of 8 catches for 218 yards including a 77-yard touchdown catch. Perry's amazing reception record was joined by Kaden Kearbey's great catches that added another 87 yards, which included a touchdown on a 40-yard catch.

Kyas Moore, who also has another year to play with the Lobos, caught a breathtaking pass that took Longview 54 yards down the field on their 4th quarter go-ahead drive.

Though Jessie Anderson's total rushing yards was not his high this year, he showed once again how incredibly valuable he is to this championship team. His two touchdowns on two punishing runs showed him to be a weapon that is anything but secret. In fact, his second touchdown was the final and go-ahead score of the game.

The Lobo defense showed the huge crowd at Cowboy Stadium in Arlington that both sides of the ball deserved to be State Champs. Tyshawn Taylor made 11 brutal tackles, including pairing with a crashing hit by Ja'Vontae Writt, creating a final Bruin drive-stop because of its recovery by Micheal Martin with 1:02 left in the game.

The Defensive Most Valuable Player was Jephaniah Lister with a team-high 12 tackles. Yet another defensive standout was Isiah Rodgers who had 10 tackles and one broken up pass. Of course the play of Robert Pierce and Jaylon Allen have to be mentioned as they both participated in an important sack.

As many college and pro teams have learned, a team must have a good kicker to be of championship caliber which is exactly what the Lobos have in J.K. Martin, who kicked a fourth quarter 28-yard field goal, and four times prevented any runback at all with touchbacks in the end zone. He also showed college quality in averaging 44 yards on his two punts.

Proving who had the better offense not only with the score, Longview had 569 yards of total offense compared to 493 by West Brook.

After the Lobo go-ahead score in the 4th quarter, West Brook Bruins took the Lobo kick off and began their drive to try to retake the lead. But that is when the crushing blow created the fumble Martin recovered. Even then the game was not on ice until a first down was made by a long run by Keilyn Williams to create a first and goal with only 2:08 to play, but Longview showed its grace in victory by taking a knee until the clock ran out and the Lobos' stellar win was secure.

It is an esteemed honor to pay tribute to the members of the 2018 state championship Longview Lobos team: Otavio Buchanan, Jephaniah Lister, Kybrien Jackson-Jamerson, Ja'vontae Writt, Ty'monyahe Abney, Jessie Anderson, Cedric Hopkins, Dylan Davis, Jacob Johnson, Daquavion Randall, Jy'christon Baxter, Haynes King, Marqualon Haynes, Kamden Perry, Jayden Williams, Jacoby Jackson, Jordan Malone, Spiro Mijalis, Da'kiemion Mumphyre, Datravirus Nelson, Micheal Martin, Markevion Haynes, J.K. Among those individuals committed to "Making A Difference: One Student At A Time" are: Superintendent Dr. James Wilcox; Assistant Superintendent Secondary Education James Brewer, Athletic Director/Head Football Coach John King; Assistant Athletic Director Johnny Hamilton; Football Staff consisting of Oscar Wilson, Chris Vallery, Jon Witt, C.J. This is an outstanding accomplishment, and may God continue to bless these young people, along with their families, friends and neighbors in Longview.

CELEBRATING THE LIFE OF
RANDY GHAN

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. COSTA. Madam Speaker, I rise today to celebrate the life of my longtime friend Mr. Randy Ghan, who passed away on December 7, 2018 at the age of 67. Randy will be remembered as a dedicated and committed labor leader and advocate for worker rights in the Central Valley. Randy worked tirelessly to ratify the Central Labor Council, creating one of the strongest labor councils in California.

He dedicated his life to the labor movement and is known as a labor icon.

Randy was born on November 5, 1951 in Fresno, California to Irene Kuns and Melvin Ghan. He attended Humboldt State University. Randy's labor career began when he joined the Bakery, Confectionery, Tobacco Workers Union and Local 85 (Bakers 85) at the Perfection Macaroni factory in Fresno. Randy was elected as the first shop steward in the history of the factory when he was just 20 years old. His efficiency and passion to succeed earned him a position on the union bargaining team. While on the bargaining team, Randy showed strong work ethic and was offered a job with the union and joined the executive board of the Central Labor Council (CLC).

After being on the executive board of the CLC for 15 years, Randy ran for Secretary-Treasurer (CEO) and won with the support from his allies in UFCW 1288 and SEIU 752. Randy took on the position when the CLC was struggling financially and he successfully revamped the organization. Randy got CLC out of debt by affiliating dozens of new unions and brokering deals to save money and build political capacity. Today, the CLC stands as one of the best funded labor councils in California.

One of Randy's proudest accomplishments was the creation of the CLC Partnership, which provides employment readiness services to workers across Fresno. The joint efforts of CLC, ProPath and Regenerate California Innovation has assisted numerous people in finding gainful employment. In an act of kindness and true leadership, Randy gave his salary for the hours worked in the partnership to hire additional staff at the CLC.

In appreciation of his years of hard work, Randy was recognized as Labor Leader of the Year by the CLC in 1992 and 2017. He was the only labor leader to ever receive this honor twice.

Randy was preceded in death by his loving partner Sharon Hodson. He leaves behind his sister Judy, daughters Maria and Tracey, numerous grandchildren, great grandchildren and many friends.

Madam Speaker, I ask my colleagues to join me in honoring the life and achievements of my friend Randy Ghan. Randy leaves a legacy of advocacy and selflessness to improve the lives of so many in the Valley. He will be missed dearly by those who had the pleasure of knowing him.

IN MEMORY OF MRS. JOHNNIE LEE
BROWN COLLIER

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. BISHOP of Georgia. Madam Speaker, I rise today to honor a dedicated woman of God, great wife, steadfast mother, and friend of longstanding, Mrs. Johnnie Lee Brown Collier. Sadly, Mrs. Collier passed away on December 27, 2018. Her funeral service was held on Thursday, January 3, 2019 at 11 a.m. at the Fourth Street Missionary Baptist Church in Columbus, Georgia.

Mrs. Johnnie Lee Brown Collier was born on October 22, 1926, in Columbus, Georgia to the union of Cleola Daniel Brown and John Brown, Sr. She gave her life to Christ and was

baptized at an early age at Rosehill Memorial Baptist Church. From that time on, God continued to be the center of her life until her passing. She served as the Sunday School Superintendent and Church Clerk at Rosehill before moving her membership to the Fourth Street Missionary Baptist Church in 1957. Her first pastor at Fourth Street was the late Reverend Henry Harris. Mrs. Collier paved the way for others as she was the first Church Secretary at Fourth Street. She was a natural and gifted leader as she served in a variety of leadership positions at Fourth Street to include the Deacon's Wives (she served as Chairperson for two terms), PICCM Community Leader in Zebulon Community, Women's Day Speaker, 1961, Chairperson of Program and Pastoral Relations Committee, and was the Roast and Toast Honoree in 1996.

Mrs. Collier was the epitome of a great wife and mother. She married the late Deacon Samuel Lee Collier on April 26, 1950. God blessed this union for 34 years until Deacon Collier's untimely death on May 27, 1984. Six children were born to this union to include two sets of twins: Bernice Collier Collins, Bernard Collier (deceased), Agnes Collier Averett, Samuel Lee Collier, Jr., Michelle Collier McClain, and Michael Collier. Fred Rogers once said that, "It's not so much what you have in life that matters, it's what we do with what we have." Mrs. Collier did a lot for others with what she had. In addition to her own children, she served as a mother figure to her siblings and countless others she found in need of guidance and a helping hand.

Former Congresswoman Shirley Chisholm once said that, "Service is the rent that we pay for the space that we occupy here on this earth." Mrs. Collier paid her rent and she paid it well. She served in a variety of community organizations to include: Electric City Chapter 482 of the Order of the Eastern Stars (Worthy Matron), Spencer High Alumni (Class of 1943), Muscogee County Board of Elections (Voting Precinct Manager); and she traveled to various state conventions to further her knowledge of the voting process. She was also an entrepreneur and a photographer. Her professional career took her to the Medical Center, the Area Mental Health Clinic, and the Enrichment Services Program. Her benevolence extended throughout the community and she often used her influence and networking to help others to find gainful employment.

Madam Speaker, my wife Vivian and I, along with the more than 730,000 constituents of the Second Congressional District of Georgia, salute and honor the life of Mrs. Johnnie Lee Brown Collier. I ask my colleagues in the House of Representatives to join us in extending our deepest condolences to Mrs. Collier's family during this time of bereavement. We pray that they will be consoled and comforted by an abiding faith and the Holy Spirit in the days, weeks and months ahead.

RECOGNIZING THE CENTER FOR PREVENTION OF ABUSE PEORIA, ILLINOIS

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. LAHOOD. Madam Speaker, today, I recognize the Center for Prevention of Abuse (CFPA), in Peoria, Illinois, and their vital services offered to Illinois communities. As we recognize Human Trafficking and National Slavery Prevention Month, it is important we also commemorate organizations, like CFPA, across the nation that work relentlessly to combat the growing humanitarian crisis of human trafficking.

Started in 1975 as a single rape crisis hotline, CFPA has grown to a highly respected statewide organization with a dynamic and effective leadership team. Along with human trafficking services, CFPA is the only organization in Illinois that provides domestic violence, sexual abuse and assault, and adult protective services under one roof. Last year, CFPA provided comprehensive care to seventeen victims of labor and sex trafficking. Additionally, CFPA provides a safe place to escape and receive the necessary care to those being exploited for sex and labor purposes.

While Central and Southern Illinois may not be major hubs for human trafficking, CFPA has helped residents of small and rural communities across the state recognize the seriousness of this hidden crime occurring in our back yards. In 2018, CFPA conducted forty-eight hours of training for law enforcement, first responders, and medical providers. CFPA has continued to work tirelessly to raise awareness by training community members and providing the necessary resources so trafficking crimes can be effectively reported.

The state of Illinois has benefitted greatly from the efforts and resources provided by CFPA. I extend my sincere appreciation to the leadership team and volunteer staff at the Center for Prevention of Abuse for their continued work raising awareness and helping victims of human trafficking.

CONSTITUENTS AFFECTED BY THE GOVERNMENT SHUTDOWN

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Ms. CASTOR of Florida. Madam Speaker, the House will vote again today to immediately reopen the U.S. government and end President Trump's government shutdown. It is unwarranted and wrong to force our Coast Guard, our Customs and Border, TSA officers, air traffic controllers and others to work without getting paid. I have heard from many Tampa area government public servants, contractors and their family members who have shared with me how the shutdown is affecting them.

One of my Tampa neighbors who runs a small business in her retirement years to help support her son with mental disabilities advised me that "[As a] tax preparer—I cannot get responses from the IRS that affect [my] clients."

Another neighbor who hoped to retire by years end is also running out of hope says, "We are told there is no more funding after January 18 for the courts, and our colleagues in the U.S. Attorney's office failed to be paid [today], although they stay on the job prosecuting criminals."

Another wrote to me after learning about what his own customers are going through: "I was touched by [the story of] a young woman who I gave an estimate to. She is engaged to a young man who works for the Federal Bureau of Prisons. As she explained it, he is required to work without being paid, as they try to begin their lives together."

Another neighbor is not a government employee, but is still affected by the shutdown: "My wife and I are in the process of starting a new business and are dependent on an SBA loan," he wrote me. "We've spent months looking for a location in this very tight commercial real estate market and finally found one. We don't want to lose the opportunity to secure the location, start our new business and begin hiring employees just because the president makes demands that our representative legislature and our voters do not agree with."

Still another: "I am extremely upset about this government shutdown. I am a private contractor working on a government contract. I have been unemployed for weeks because of this. I can't pay my bills."

Our TSA officers, Customs officers and air traffic controllers at Tampa International Airport are outstanding. TSA Officer Luis Mendoza advised me that "I've been with TSA for 12 years. I have experienced previous shutdowns and close calls, but I really feel that this one is going to be a tough one to get through. The officers in Tampa are trying to hang in there because as they shared, 'We do believe in the Oath we took to protect the flying public and guard against threats.' But many are trying to figure out how to pay for gas, child care services, and groceries before rent, bills and medical care."

I also spoke with Admiral Karl Schultz who leads the Coast Guard this morning regarding our shared deep concern that our frontline Coast Guard service members are not being paid. In fact, one Coast Guard mother wrote me, "I have a son in the Coast Guard in Tampa, Florida that due to the government shut down will not be paid . . . I first hand know how this affects an individual and it take(s) several if not a life time to recover from this. These people should not have to suffer for others just trying to make a vote."

I urge the White House and GOP Senators to take up the bills to reopen America's government along with the detailed plan we have negotiated for modern border security—and do it today.

Otherwise there will be more headlines like the one on the front page of my hometown newspaper that says "Federal workers' new need: food assistance". Thanks to Tampa International Airport, Feeding Tampa Bay, United Way Suncoast, USAA, the Crisis Center and others who are supporting our neighbors caught in Pres. Trump's government shutdown, but this is no substitute for the government of the United States of America to function and provide the services all of our constituents need, for public servants to get paid and to fulfill the oath to protect and defend America.

Dr. Kallsen will leave a robust foundation for the Emergency Department to continue to build upon. He has created a lasting legacy that will continue to help the people of the San Joaquin Valley. IN HONOR OF THE 50TH WEDDING
ANNIVERSARY OF ALFREDO AND
GUILLERMINA HERNÁNDEZ

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. CORREA. Madam Speaker, I rise to commemorate the 50th wedding anniversary of Alfredo and Guillermina Hernández.

Alfredo and Guillermina were married December 18, 1968, in México Distrito Federal. While still residing in Mexico, they had three children: Veronica, José Alfredo and David Alejandro.

Alfredo and Guillermina immigrated with their children to the United States on September 29, 1979. They settled in Santa Ana, California, where they became productive members of their community, never taking for granted the opportunities our great country has provided them.

For 30 years until he retired, Alfredo worked for Miniondas, a Spanish newspaper based out of Santa Ana, and Mrs. Hernández has been a small business owner in Santa Ana since 1987. Their hard work and dedication bettered not only their lives, but the lives of their children, grand-children and the generations of children who will follow in their footsteps.

Their eldest daughter, Veronica, has been employed with the Santa Ana Unified School District for 28 years, and is married to Ladislao Guillen.

Their son, José Alfredo, who has been in practice for 18 years as an immigration and criminal defense attorney, served the SAUSD for 10 years as an elected member of the School Board. He established his own law firm in December of 2006, and is married to Alma, an attorney who serves as a Riverside County prosecutor.

Their son, David Alejandro, served as a United States Marine for 14 years and now works at the Department of Health & Human Services, and is married to Laura.

The legacy of this couple continues not only through their three children, but also through their nine grandchildren, one of whom is serving in the United States Army Reserve, another who has obtained a university degree, and others who are pursuing their educations, dreams, and goals.

Considering the strong values, they were provided with from their own parents, it's not surprising that Mr. and Mrs. Hernández achieved this significant milestone. Alfredo's parents, now passed, were married for 50 years, and Guillermina's parents have been married for 69 years and counting.

Madam Speaker, please join me in acknowledging the accomplished lives of Alfredo and Guillermina Hernández and the gift they've given their children, a set of values that stem from their humble roots as immigrants. Together, they have produced an extraordinary family, whose members are now living the American Dream.

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. McGOVERN. Madam Speaker, I rise today to honor Paula and Jim Buonomo for their distinguished careers and continued dedication to making their community a better place to live and raise a family.

Over the past 30 years, Paula has held many prominent roles and has served with distinction on the Shrewsbury School Committee, as a member Shrewsbury Town Meeting, on the Board of Directors for the Worcester County Food Bank, and as Chair of the Shrewsbury Democratic Town Committee. I would also like to thank Paula for her time spent as a District Representative in my office—where I saw her affinity for helping others first hand.

Jim has also consistently proven his devotion to improving the lives of others through his time serving on the Board of Directors at the University of Massachusetts, Amherst, and playing a crucial role in many other initiatives aimed at improving the lives of students in Shrewsbury.

On January 26th, the Shrewsbury Education Foundation will present Paula and Jim with the Community Service Award, recognizing the couple for consistently going above and beyond in their service to their community, and particularly the Shrewsbury Public Schools.

Throughout the years, they have stepped up and worked together at critical times to improve the lives of students, including the campaigns for the Floral Street School and Shrewsbury High School. They also played a significant role in making the Shrewsbury Public Library and new athletic complex a reality—which will benefit the residents of Shrewsbury for generations to come.

Madam Speaker, on behalf of the United States Congress and the people of Massachusetts, I would like to thank and recognize Paula and Jim for their work in improving the Shrewsbury School District and the Massachusetts education system. Their tireless efforts have forever changed Shrewsbury and the Commonwealth for the better.

HONORING MR. WILLIAM ASTOR
KIRK

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor Mr. William Astor Kirk on his great contributions to civil rights activism.

Raised in the East Texas town of Harleton, William began his journey to higher education at Wiley College, a historically black college located in Pittsburg, Texas. He transferred and continued his trajectory at the prestigious Howard University in Washington, earning both his bachelor's and master's degrees in Political Science. He then pursued his doctorate at the University of Texas. He also completed postgraduate studies at the London

School of Economics and Political Science in England as a Fulbright scholar. He later served as a regional director of the U.S. Office of Economic Opportunity and as an adjunct associate professor of organization theory in the Graduate School of Management and Technology at the University of Maryland. He was founder and CEO of the Organization Management Services Corporation.

Kirk, also a United Methodist layperson, served as a director of the public affairs department of the Board of Church and Society of the United Methodist Church from 1961 to 1966 and as the board's interim top executive in 1987 and 1988. He played a historic role in ending institutional segregation in the United Methodist Church.

Overcoming discrimination was a fight he knew well. He had earned a doctorate in political science at the University of Texas at Austin—the university's first Ph.D. awarded to an African-American.

Kirk also led Huston-Tillotson students in various protests against segregated public facilities in Austin during that era, and he was said to be instrumental in the desegregation of the city's library and other facilities.

He was known as a complete gentleman, a person who believed in forgiving and in not allowing bitterness to define his life.

Before his death, Kirk had prepared an omnibus resolution to end discrimination against sexual minorities, to be presented at the 2012 General Conference of The United Methodist Church.

William Astor Kirk died on Friday, August 12, 2011, at 89 years of age. He and his wife Vivian, who died in 2010, had been members of Foundry United Methodist Church in Washington since 1984, and he served in many leadership roles. He is survived by his son, William A. Kirk, Jr., his late daughter Marie Kirk Dunn, daughter-in-law Hillary, his late son-in-law Reginald Dunn, and four granddaughters Ayanna, Jenelle, Allison and Stefanie.

Madam Speaker, today I honor the life of Mr. William Astor Kirk for his many contributions to ending discriminatory practices in the United Methodist Church as well as throughout the City of Austin. William made a career of serving others, and his work had a direct and positive influence on the lives of literally thousands.

CELEBRATING THE 100TH BIRTH-
DAY OF MR. DONALD G. JEWELL

HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. STIVERS. Madam Speaker, I rise today on behalf of the people of Ohio's 15th Congressional District to celebrate the 100th birthday of one of Millersport, Ohio's most distinguished citizens, a man who continues to bring smiles to others, Mr. Donald G. Jewell.

An incredibly intelligent and hardworking man, Mr. Jewell valiantly offered his skills in service to our nation as a member of the Civilian Conservation Corps and the United States Air Force. He earned the rank of Master Sergeant and received the Bronze Star during World War II. His commitment to his fellow soldiers cannot be understated, as he still reflects fondly on their success and dedication.

Mr. Jewell has been a fixture of our community since 1945. In that time, he has helped make Millersport a wonderful place to live, work, and raise a family. An important contributor to our local economy, he owned a gas station and managed the Midland Screw Factory. Moreover, from his time on the village council to the founding of the Sweet Corn Festival, he spent his days diligently working to improve the lives of his neighbors and bring smiles to their faces.

Most importantly, Mr. Jewell has built a wonderful and fulfilling life in Millersport with his late wife June by his side, surrounded by his son, Edwin; three grandchildren, six great-grandchildren, and three great-great-grandchildren.

He is an exemplary citizen and Millersport is undeniably a better place because of Mr. Donald G. Jewell, and I encourage my colleagues to join me in wishing him a very happy 100th birthday.

RECOGNIZING THE LIFE AND
SERVICE OF BILL O'MALLEY

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. SWALWELL of California. Madam Speaker, I rise today along with Congressman MARK DESAULNIER, Congresswoman BARBARA LEE, Congressman MIKE THOMPSON, and Congressman JERRY MCNERNEY to recognize Bill O'Malley for his public service and legacy in our East Bay community.

Bill was born in Boston in 1924 and served in the U.S. Navy at a young age. After World War II, he studied at Fordham University in New York. In 1953, Bill and his wife, Claire Dunn, moved to California where they raised nine children. He graduated first in his class from Golden Gate University School of Law while attending at night.

A lifetime public servant, Bill held almost every role in Contra Costa County's legal system. He served as a deputy district attorney, deputy public defender, and was a founding member of the county's public defender's office. In 1968, Bill was appointed as Contra Costa County's District Attorney. During his 16-year tenure, he helped open the county's first rape crisis center and domestic violence shelter. Following his years as district attorney, Bill was elected to be a Superior Court judge where he presided over criminal, civil, and family law until his retirement in 1995.

Outside of the courtroom, Bill was an avid outdoorsman and traveler. He visited every state in the United States and visited all national parks and historic monuments, a feat not easily accomplished. In his retirement he loved spending time with his family and exploring his passion for history by studying World War I and visiting European battle-grounds.

His proudest achievement, though, was his family. Bill is survived by his sister, Grace Fitzgerald; sons Jake and Dan; daughters Nancy, Denise, Betsy, Grace, Patty, and Mary; as well as 13 grandchildren and six great-grandchildren. Bill was particularly gratified that his daughter, Nancy, became the first woman to serve as Alameda County District Attorney.

I join Congressman MARK DESAULNIER, Congresswoman BARBARA LEE, Congressman

MIKE THOMPSON, and Congressman JERRY MCNERNEY in recognizing Bill's volunteerism and enthusiasm as a public servant in his community. He will be sincerely missed by those who had the pleasure of knowing him, and he will be remembered for his endless service to Contra Costa County.

COMMENDING PRIVATE JOHN
GILLEY

HON. VIRGINIA FOXX

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Ms. FOXX of North Carolina. Madam Speaker, I rise today to recognize the sacrifice of Private John Gilley. The service and sacrifice of men and women like Private John Gilley are truly what makes our country great. Private Gilley served his country honorably in World War One, where he was wounded in the Battle of Courtrai. As a member of the 30th Division of the Army National Guard, which was attached to British Forces, Private Gilley took part in the campaign which resulted ultimately in the 30th Division breaching the Hindenburg Line to force the Armistice which ended the war.

Thankfully, Private Gilley survived his wounds and was discharged in February of 1919. Our area, the State of North Carolina and our Country are fortunate that he returned to Westfield, North Carolina where he and his wife raised their nine children.

While the Purple Heart was not available during World War One, Private Gilley was certainly eligible for it and it is fitting that it is being awarded to his family in his honor now. It has been my distinct privilege to work with Private Gilley's family to bring to light his sacrifice and give him the recognition he deserves. It is never too late to remember and honor those who have put our country's values above their own safety and well-being.

I am here to commend not only Private Gilley but also to commend his family for their perseverance in achieving the recognition he so richly deserves and for continuing his model of patriotism.

Mr. COSTA. Madam Speaker, I rise today to recognize the career of Les Wright, on the occasion of his retirement as Fresno County's Agricultural Commissioner and Sealer of Weights and Measures. Les' final day as Agricultural Commissioner will be January 25, 2019. This is the culmination of a successful 27-year civil service, leadership and management career throughout the State of California.

Les, a native of Modoc County, earned his Associates degree in Production Agriculture from Shasta College. He began his career in government in 1976, serving at a border inspection station. With a background as a rancher, it did not take long for Les to realize

Madam Speaker, I ask that my colleagues join me in honoring Les Wright for his career achievements as Fresno County Agricultural Commissioner. Les will leave a robust foundation for Fresno County to continue to build upon. I wish Les and his wife Marilyn the very best as they enter this new phase of their life.

A TIMELINE OF STEVE KING'S
RACIST REMARKS AND DIVISIVE
ACTIONS

HON. BOBBY L. RUSH

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2019

Mr. RUSH. Madam Speaker, I would like to include in the RECORD, an article by Trip Gabriel that was published in the New York Times on January 15, 2019 detailing racist remarks and divisive actions made by Rep. STEVE KING.

[From the New York Times, Jan. 15, 2019]

A TIMELINE OF STEVE KING'S RACIST
REMARKS AND DIVISIVE ACTIONS
(By Trip Gabriel)

While some Republicans suggested the Iowa congressman's views were new to them, Mr. King has a long and documented history of denigrating racial minorities.

Representative Steve King of Iowa, who was stripped of his House committee seats on Monday night after making remarks defending white supremacy, has a long history of racist comments and insults about immigrants.

Republicans rarely rebuked him until recently, with some suggesting that Mr. King's language and views were new to them.

"This just popped up on Friday," Representative Steve Scalise, the second-ranking House Republican, said on Sunday, when asked if the party would penalize Mr. King for saying, in an interview with The Times, "White nationalist, white supremacist, Western civilization—how did that language become offensive?"

National Republicans courted his political support in Iowa: He was a national co-chairman of Ted Cruz's 2016 presidential effort and of Gov. Kim Reynolds' 2018 election. House leadership appointed him chairman of the subcommittee on the Constitution and civil justice. And President Trump boasted in the Oval Office that he raised more money for Mr. King than for anyone else. Yet Mr. King, who won a ninth term in November, has pub-

licly promoted white nationalists and neo-Nazis on Twitter and disparaged nonwhite groups for years.

2002

Mr. King, in the Iowa State Senate, files a bill requiring schools teach that the United States "is the unchallenged greatest nation in the world and that it has derived its strength from . . . Christianity, free enterprise capitalism and Western civilization."

Mr. King is the chief sponsor of a law making English the official language of Iowa.

2005

Now in Congress, Mr. King introduces the English Language Unity Act, a bill to make English the official language of the United States.

Mr. King sues the Iowa Secretary of State for posting voting information on an official website in Spanish, Laotian, Bosnian and Vietnamese.

2006

At a rally in Las Vegas, Mr. King calls the deaths of Americans at the hands of undocumented immigrants "a slow-motion Holocaust." He claims that 25 Americans die daily because of undocumented immigrants, an unsupported and illogical leap from government statistics, which years later influences talking points by President Trump.

On the House floor, Mr. King demonstrates a model of a 12-foot concrete border wall topped with electrified wire that he designed: "We need to do a few other things on top of that wall, and one of them being to put a little bit of wire on top here to provide a disincentive for people to climb over the top or put a ladder there. We could also electrify this wire . . . We do that with livestock all the time."

2010

Mr. King on the House floor, speaking of how law enforcement officers can spot undocumented immigrants:

What kind of clothes people wear . . . what kind of shoes people wear, what kind of accent they have . . . sometimes it's just a sixth sense they can't put their finger on.

2011

Mr. King in a speech opposing the Affordable Care Act's mandate to cover contraception:

Preventing babies being born is not medicine. That's not constructive to our culture and our civilization. If we let our birthrate get down below the replacement rate, we're a dying civilization.

2012

On a panel at the Conservative Political Action Conference with Peter Brimelow, an open white nationalist, Mr. King referred to multiculturalism as:

A tool for the Left to subdivide a culture and civilization into our own little ethnic enclaves and pit us against each other.

2013

Mr. King on why he opposes legal status for Dreamers, who were brought into the country as children:

For everyone who's a valedictorian, there's another 100 out there that weigh 130 pounds and they've got calves the size of cantaloupes because they're hauling 75 pounds of marijuana across the desert. Those people would be legalized with the same act.

2015

Mr. King invites the far-right, anti-Islam Dutch politician Geert Wilders to Washington and appears with him at the Capitol. Mr. Wilders has called Islam "not a religion," said the Quran was "worse than Mein Kampf," and called for the closing of mosques.

Mr. King tweets a selfie with Mr. Wilders in front of a portrait of Winston Churchill.

Mr. Wilders praises Mr. King for having “the guts to speak out.”

2016

At the Republican National Convention in July, Mr. King claims that nonwhite groups haven’t contributed as much as whites to civilization: “This whole business does get a little tired. I would ask you to go back through history and figure out where are these contributions that have been made by these other categories of people you are talking about. Where did any other subgroup of people contribute more to civilization?”

Mr. King to The Washington Post days later: “The idea of multiculturalism, that every culture is equal—that’s not objectively true . . . We’ve been fed that information for the past 25 years, and we’re not going to become a greater nation if we continue to do that.”

In a tweet during a meeting in Amsterdam with Mr. Wilders and Frauke Petry, the leader of Germany’s far-right Alternative for Germany party, Mr. King says, “Cultural suicide by demographic transformation must end.”

In October, Marine Le Pen, the leader of France’s far-right party, tweets a picture of her meeting with Mr. King, the first elected American official to meet her.

Also in October, Mr. King meets in Austria with leaders of the far-right Freedom Party, including Heinz-Christian Strache and Norbert Hofer. The party was founded in the 1950s by former Nazis.

2017

“Wilders understands that culture and demographics are our destiny. We can’t restore our civilization with somebody else’s babies,” Mr. King tweets in his endorsement of Mr. Wilders in Dutch elections.

On March 14, Mr. King defends the tweet on Breitbart radio: “We’re watching as Western civilization is shrinking in the face of the massive, epic migration that is pouring into Europe. That’s the core of that tweet. They’re importing a different culture, a different civilization—and that culture and civilization, the imported one, rejects the host culture. And so they are supplanting Western civilization with Middle Eastern civilization and I say, and Geert Wilders says, Western civilization is a superior civilization—it is the first world.”

On Iowa talk radio, Mr. King recommends “The Camp of the Saints,” a racist 1973 novel

about an invasion of Europe by nonwhite immigrants.

Mr. King tweets agreement with Viktor Orban, Hungary’s authoritarian leader: “Mixing cultures will not lead to a higher quality of life but a lower one.”

2018

Mr. King says he does not want Somali Muslims working in meatpacking plants in Iowa: “I don’t want people doing my pork that won’t eat it, let alone hope I go to hell for eating pork chops.”

Asked by a reporter for HuffPost if he is a white nationalist or white supremacist, Mr. King responds: “I don’t answer those questions. I say to people that use those kind of allegations: Use those words a million times, because you’re reducing the value of them every time, and many of the people that use those words and make those allegations and ask those questions can’t even define the words they’re using.”

In an interview with a web publication in Austria, unzensuriert.at, which is linked to the far-right Freedom Party, Mr. King again praises the novel “Camp of the Saints”: “This narrative should be imprinted into everyone’s brain. When you are importing people, even importing one single person, you are importing their culture.”

In the same interview, Mr. King demonstrates familiarity with the “Great Replacement” conspiracy theory, also known as “white genocide,” which posits that an international elite, including prominent Jews like George Soros, are plotting to make white populations minorities in Europe and North America. “Great replacement, yes,” Mr. King says. “These people walking into Europe by ethnic migration, 80 percent are young men. They are somebody else’s babies.”

Mr. King endorses a Toronto mayoral candidate, Faith Goldy, who had recited the “14 words” used by neo-Nazis and gave an interview to a podcast for the neo-Nazi website The Daily Stormer.

The Anti-Defamation League writes to Speaker Paul D. Ryan calling for the censure of Mr. King for endorsing Ms. Goldy. The group also notes that the Austrian Freedom Party is “riddled with anti-Semitism and Holocaust trivialization.”

Representative Steve Stivers, chairman of the Republican House election committee, condemns Mr. King in a tweet: “We must

stand up against white supremacy and hate in all forms, and I strongly condemn this behavior.”

Asked on Oct. 21 on WHO-TV in Iowa, “What is a white nationalist?” Mr. King answers: “First of all, I think you have to be white, but then we’ve got Rachel Dolezal who didn’t have to be black to be black. It is a derogatory term today. I wouldn’t have thought so maybe a year or two or three ago. But today they use it as a derogatory term and they imply you are a racist. That’s the bottom line for that.”

2019

“White nationalist, white supremacist, Western civilization—how did that language become offensive? Why did I sit in classes teaching me about the merits of our history and our civilization?” Mr. King said in an interview with The New York Times published last week.
